

Summer Enrichment 2023

Brownton - Where past meets present!

We are so excited about this year's program! Thanks to an EXTRA grant we received from **SouthWest Initiative Foundation**, we will be working with community organizations and individuals to learn more about woodworking, crafting, card playing, cooking skills and what Brownton was like years ago!

This two week program will be held at the Brownton Community Center from

1:00-3:30 on June 5-9 and 12-16.

For children who have completed kindergarten through sixth grade.

The cost for the whole program, including a t-shirt and snack will be \$20.

(Please make checks payable to the City of Brownton.)

If you have any questions please call or email:
